Attention:

Subject: Letter of Reference for Iron Mountain Industries

This letter is to confirm that Iron Mountain Industries has been providing mechanical and structural support for Seagull Technical for four years in regards to servicing the cruise ship gangways at Canada Place and Ballantyne Piers. Their service includes annual and monthly inspections, and servicing for the automated cruise ship gangways as well scheduled maintenance and emergency repairs.

Iron Mountain has worked on screw jacks, gear boxes, and rack and pinion drives and made custom fabricated parts for the gangways.

Please feel free to contact me by phone or email should you require any further information or additional details.

Best regards,
